CLIENT PERSPECTIVES

Third Sector is privileged to collaborate with partners across sectors for PFS/SIF initiatives.

Government

"We have greatly benefited from Third Sector's expertise in this area [PFS], and I doubt that the County would have been able to launch its procurement or the community could have responded to the RFR without Third Sector's involvement."

- David Merriman, Assistant to the Executive, **Cuyahoga County Office of the Executive**

Providers

"Third Sector was the only organization that could unpack the 'black box' of the components of Pay for Success and Social Impact Bonds for us at Roca."

- Molly Baldwin, Founder and Executive Director, **Roca, Inc.**

Funders

"What is perhaps most impressive about Third Sector is its team's ability to listen first, then adapt Pay for Success concepts and frameworks to the realities and priorities of the County."

- Marcia Egbert, Senior Program Officer, **The George Gund Foundation**
